Accounting Policies and Notes on Accounts

1. Accounting Convention

The financial statements of the Trust have been prepared on a going concern basis under the historical cost convention on accrual basis and in accordance with mandatory accounting standards issued by the Institute of Chartered Accountants of India.

2. Fixed assets

Fixed assets are stated at cost, less accumulated depreciation. The cost of fixed assets comprises its purchase price and any cost attributable of bringing the assets to its working condition and intended use.

3. Depreciation

Depreciation on the assets is provided on written down value method at the rates and methods prescribed in the Income Tax Act, 1961. Assets purchased and put to use on or after 1st October of the year under review are depreciated for that year at 50% of the prescribed rates.

4. Impairment of Assets

Management of the Trust periodically assesses whether there is an indication that an assets may be impaired. In case of such an indication, the management estimates the recoverable amount of the asset. If the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount and the difference is recognized as impairment loss.

5. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the income and expenditure account.

6. **Employee Benefits**

Liability for gratuity is calculated on the assumption that gratuity is payable to all employees at the end of the accounting year. Such amount of gratuity is charged to revenue. This is in accordance with the Accounting Standard (AS) 15 Employee Benefits issued by the Institute of Chartered Accountants of India as the average number of persons employed during the year is less than fifty.

7. Revenue recognition

Grants received for specific purposes are initially treated as a liability and adjusted for capital or revenue expenses as per utilisation during the year. Generally, grants, to the extent utilised for revenue expenditure, are treated as income of the year. After fulfillment of obligations attached with a particular grant, any unutilised amount of the grant, not refundable to the donor, is transferred to Income and Expenditure Account.

Grants, to the extent utilised for depreciable assets, are treated as deferred income and recognised in the Income and Expenditure Account on a systematic and rational basis.

8. Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rate prevailing on the date of the transaction. Differences arising out of foreign currency transactions settled during the period are recognised in the Income and Expenditure Account.

Monetary items outstanding at the balance sheet date and denominated in foreign currencies are recorded at the exchange rate prevailing at the end of the period. Differences arising there from are recognised in the Income and Expenditure Account.

9. Provisions and Contingencies

Provisions are recognised when the Trust has a present obligation as a result of past events for which it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provision required settling the obligation are reviewed regularly and are adjusted where necessary to reflect the current best estimate of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may but probably will not require an outflow of resources. Disclosure is also made in respect of a present obligation that probably requires an outflow of resources, where it is not possible to make a reliable estimate of the related outflow.
